## OUR FATHER IN FAITH

The Letter to the Hebrews today sings a hymn of praise to Abraham and to his faith, upon which are founded the religions of Judaism, Christianity, and Islam. Abraham is called "father" in faith by more people on earth than anybody else, numerous as the sands of the seashore or the stars of the heavens. Hebrews tells us it was this foundational faith that led Abraham to obey God's call when he heard it, though he was called to journey to a land he did not know and told he would father a mighty race through a marriage he thought was barren. But Abraham's faith, the author of Hebrews tells us, was his realization of what he hoped for, and the evidence of what he could not see. How often are we, in simple daily events of our own Christian vocation, called to an unfamiliar place or told we are to do something we do not believe we can? How fortunate we are to have Father Abraham as our guide and example!

### TREASURES FROM OUR TRADITION

Sometimes the treasures of art can provide us with clues about traditions. Take, for example, the miter, the conical hat with lappets, or back-flaps that fall to the shoulders. This cap is worn by bishops in the Catholic West. Eastern Catholics favor a crown, but we have this curious headpiece. In Greek, the word means "turban." Old paintings and mosaics provide clues about headgear for bishops, and there is very little artistic evidence for the miter before the year 1000. Before then, some kind of head covering might have been worn to offset the damp and chill of unheated churches. The pope, as far back as the seventh century, often wore a cap called a camelaucum. Around that time, artists painting St. Peter began to portray their subject wearing this hat. By the year 1000 or so, the pope began to grant similar helmet-shaped headgear as gifts to visiting abbots and bishops. They returned home with these new chapeaus, and before long everybody wanted one!

Today, miters are granted not only to bishops, but to certain favored abbots and occasionally abbesses. Pope Benedict XVI set aside the tradition of the papal tiara in favor of the miter, even on his coat of arms. Pope Paul VI was the last pope to have a coronation. As recently as the 1960s, miters were towering skyscrapers of jewels and rich silks, but now a simplicity of style is favored by bishops. Miters are here to stay, and experienced altar servers know how to await the bishop's removing of the miter, since he does not wear it when he is saying the presidential prayers or the Eucharistic Prayer.

### From the Desk of Msgr. Forst

Last weekend, July 30 & 31, was special. (I am a little prejudiced.) I returned home to St. Mark in plenty of time to hear confessions from 3:30-4:30 on Saturday. I was very busy. I was scheduled for the 5:00 Mass there as well. All went well. The altar servers came in time to light the candles, etc. The readers were outstanding and the hymn numbers were posted. The Mass went well and all stayed to sing the final verses. As usual many stayed to greet one another in our large gathering space. Our vestibule is super special and many stay to enjoy happy, joyful conversation. Remember also, many greeted me with these warm words, "I am glad you are back." Well yes, I was looking forward to "being back" on Sunday morning. Rick Rosenkoetter came early to take me home for the 9:00 Mass. This was a sort of "repeat" of Saturday evening. I returned to St. Agnes Home to enjoy the rest of the Lord's Day. I am sure that I will be back soon.

There will be a Parish Council and Building Committee meeting at church on August 11 at 7:00 pm.
