Dear St. Mark Parishioners and Guests,

To enter church for Mass and other liturgies, please observe the following safety instructions:

- If you are sick or experiencing symptoms, please stay home.
- Take your temperature at home before coming to Mass.
- Masks must be worn, except in the case of certain medical conditions and when receiving Holy Communion.
- Social distance must be maintained between households while in church and while entering and exiting.
- Please use designated entrance and exits doors, except in the case of physical hardship.
- The dispensation from the obligation to attend Mass on Sunday or Holy Days of Obligation still applies for those who feel unsafe attending Mass in person. In that case, watch a Mass online or on TV.
- Outside of Mass, gatherings on parish grounds are limited to 10 people or fewer. Please contact me for permission or questions.
- More information can be found at [www.archstl.org/coronavirus-covid-19](http://www.archstl.org/coronavirus-covid-19).

Thank you for your vigilance. Please pray for all affected by the virus, whether from illness or from imposed closings and shutdowns. God bless you.

Fr. Hecktor
